

Vapor Job Posting: Maintenance Technician

About US:

Vapor Apparel designs and manufactures customizable performance apparel and private label clothing for major retail brands. The company is focused on developing sustainable apparel solutions and has developed a "Made in the America's" product line that maximizes a sustainable supply chain. Our headquarters in Hanahan, South Carolina leverages fulfillment in digital print technology, ecommerce, and blank apparel inventory.

We are a growing company striving for motivated candidates to work in a fast-paced environment. Come join the Team!

Vapor Apparel Team Profile:

As a team member you are able to communicate openly, listen effectively and work well with others. You have a sense of urgency and a positive attitude that is apparent in your work ethic.

Position Description:

Position is responsible for general upkeep of interior and exterior of Vapor Apparel Headquarters in Hanahan, SC. Building site is roughly 26,000 square feet on 2.1 acres. General "handy-man" skills a benefit.

Responsibilities:

Duties to include but not be limited to the below items.

- General exterior grounds keeping as needed – Grass cutting, leaf removal, sidewalks and parking areas clean
- General interior maintenance on building and contents of building – office area, restrooms, breakrooms, production space, and warehouse space
- Special projects throughout year such as window cleaning, staining exterior furniture, equipment cleaning, etc.

Compensation based on experience and growth potential. Position could be part-time or full-time based on candidates expertise.

No calls or walk-ins please. Only resumes submitted to opportunity@vaporapparel.com will be considered.

"All qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin."
